Neti Pots

Neti Pots

The Satyam Yoga School is in Rosebank Johannesburg and we are only available before or after classes as we do not live on the premises. Directions to the school are available for download on the same page as this document.

Price List: We currently have the small porcelain Aladdin pot in white glaze only), the large plastic neti pot and the large porcelain version in stock. I have attached a word doc that explains the practice and the benefits. The porcelain pot comes in four colors, green, charcoal grey, maroon and off white all in the same style of glaze as the attached photo. The porcelain pots are locally manufactured and the attached image shows the design.
